TRAVERTINO GREY RIVER WASHED

A model with matt texture on structure that, with its relief, simulates with maximum fidelity the marble is extracted from the quarries of Almeria, in the south of Spain. The carbonate rock of fresh water, grey in tone, medium grain and extremely compact inspires this soft and neutral creation.

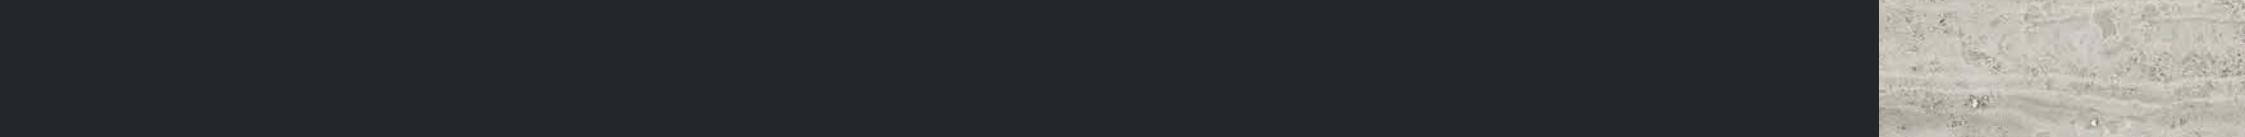

TRAVERTINO GREY RIVER WASHED

Un modelo con textura mate sobre estructura que, con su relieve, simula con máxima fidelidad el mármol que se extrae de las canteras de Almería, en el sur de España. La roca carbonatada de agua dulce, en tono gris, de grano medio y, extremadamente compacta inspira esta creación suave y neutra.
